Dear Parents/ Carers,

Coronavirus update – Boris Johnson’s Speech and its implications our School

In the light of the speech to the nation by Boris Johnson last night it is now essential that we enforce the rules that he has set out for the country in order to keep your children and our staff as safe as we possibly can.

Therefore we now need to ask again that you **do not** bring your child to school unless **both** parents/carers are key workers or in a single parent family, where that parent is a key worker. **You must also have explored all other options for childcare, school must be a last resort.** In addition, you are reminded that your child should only be in school on the days you need them to be – if you work part time, your child should be at home when you are.

These tighter measures are essential to keep the children, their families and our staff safe. We will be reducing the staff on site to the absolute minimum.

Thank you for your cooperation and support.

Stay safe, look after yourselves and your families.

Yours sincerely

Mrs A Harrison
Principal
